"MOM" STAMBAUGH

D E D I C A T I O N . . .

This, the 1953 Yonahian is gratefully dedicated to Mrs. Effie C. Stambaugh, known as "Mom" Stambaugh to all the girls and other friends at Piedmont. Her spirit of kindness and her willingness to help has made her years at Piedmont truly memorable ones for those of us who have grown to love and respect her so much. She is a person to be admired and patterned after.

LET US PAUSE

To Say That

If this book, through its pictures and script, brings to you, the readers, a glimpse of our school life; if it recalls to you, seniors, pleasant memories of the yesteryear—of comrades and of happy hours passed at PIEDMONT COLLEGE—then we shall know that it has served its purpose well.

ADMINISTRATION

A new feeling of hope and confidence is one of the great gifts of life discovered during college years. New knowledge becomes the strength of achieving, and the humility of searching deeper and further for truth. New physical coordination and added emotional maturity radiates a positiveness of well founded hope and confidence in life. New faith in the living God grows from accepting gladly the joy of each day, and pressing forward without complaint over the rough places of sorrow.

New poise has become ours through the many choice opportunities of meeting new friends, living among kindred spirits, and studying with Christian professors. Our mutual goals for life on the Piedmont College campus are summarized for us by the Gospel of Luke, "Jesus grew in wisdom, in stature and in favor with God and man."

Societies play an important part in the life at Piedmont. The J. S. Green Society, founded by the pioneers of the college, has developed with the college and has helped deepen the spirit of loyalty and devotion to the faculty and administration. It has endeavored to create bonds between students and the school, which will mean loyal attachment to the Green and Gold.

The name, Protropian, is derived from a Greek word meaning, "In the forefront." Every member is looking forward, striving to make the organization a vital part of our college life. This was the ideal of the charter members and so it remains today. It lives in the heart of every Protropian.

Now with the past behind us with its victories and the future before us with its opportunities, may no loyal "prot" rest upon his glories but with the energy and vision of the utmost to bring into realization, "A Greater Piedmont" and "A Greater Protropian Society."

The Men's Glee Club consists of all young men who are interested in singing for pleasure. It offers many enjoyable programs throughout the year.

The purpose of this organization is to create an appreciation of men's singing for ourselves and the public, to promote better relations among the men on the campus, and to bring to the students and public an interpretation of music through the medium of men's voices.

THE MEN'S GLEE CLUB

The College Chorus, under the direction of Mr. Robert Noble, offers songs for vespers, chapel and special programs. Students may participate for enjoyment or one-third course credit each quarter.

The Current Affairs Club is a club for all Social Science and History majors.

We meet once every month. At the meetings we discuss current happenings that, in our opinion, will have a definite effect on the history of our nation and the world.

ALL FOR YOU

Acknowledgement

The 1953 Yonahian is yours now. We, the members of the staff, have tried to make it a worthy successor to those books that have preceded it. We hope you will enjoy it.

The work of editing has been none too easy, but it would have been many times harder—in fact, impossible—had it not been for the aid and co-operation given us.

To the following people who have helped in the preparation of our book, we wish to express our appreciation.

Mr. Long, of Bowen, Long and Young, Inc., and the members of Photo Process Engraving Co. for their artistic designing and printing of the book.

Lee Sears of Hewett Studio, Atlanta, Ga., for his excellent photographic work.

Dr. Fuller and Mr. Lemjakov for their kindness in supplying us with much photographic help.

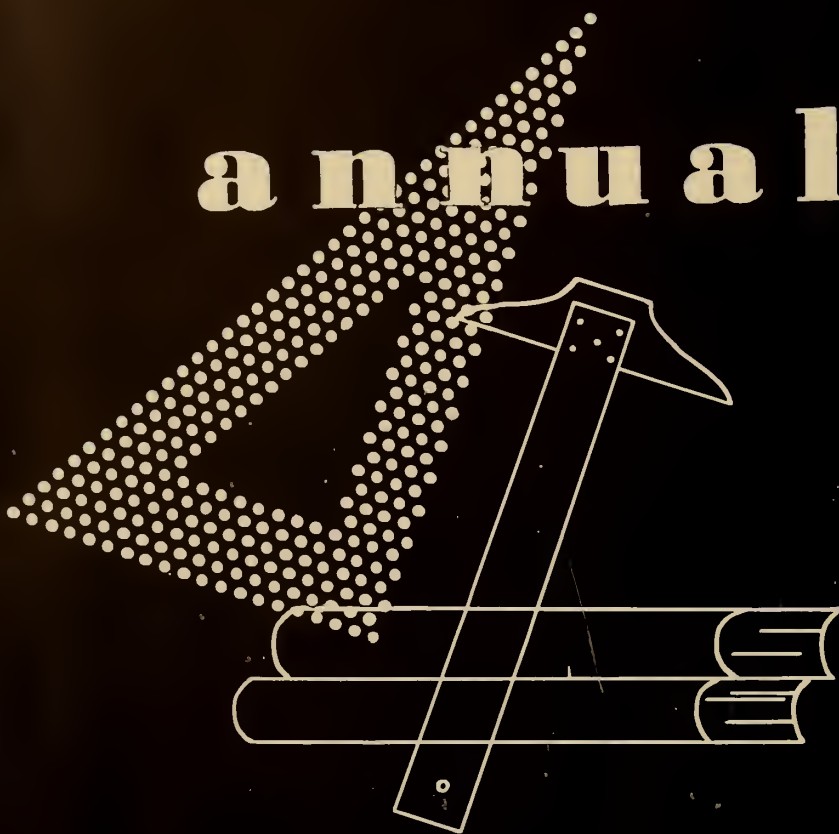

Our advertisers, who have shown in a most substantial way their confidence in our undertaking.

Bill McClure for the many times we have used his car.

The faculty and students of Piedmont College for their help in supporting the book.

Mr. Samuel Woodruff, our sponsor, for his supervision.

annuals of distinction.

Original layouts, distinctive typography and sparkling reproduction that give your annual the luxurious appearance impossible to obtain by standard layout, mass-production methods.
